Fishin' For _____!

Directions: (2 players)

1. Each person takes a worksheet.
2. One at a time, pull a fish from the bowl.
3. Write the problem and the answer on the worksheet.
4. Play continues until all of the fish are gone.
5. Now write all of your “answers” again in the “answer column” on your worksheet.
6. Add your answers together. The player with the highest answer or “points,” wins!
7. Have Fun!
