

Give Me a Double-Scoop of Contractions!

Directions: (2 players)

1. Take the cones out of the ice cream bucket and divide between both players.
2. Lay cones down on the table in front of you.
3. One at a time, pull an “ice cream scoop” from the bucket. If the word on the scoop is a word that would fit into the contraction on your cone, then keep it. Place on top of cone.

If it does not fit into the contraction, put scoop back into the bucket.

4. Next players turn. Follow directions in #3.
5. The first student to fill his cones, wins!
6. Have Fun!
