

Hang Out with a Good Math Problem!

Directions:

1. Pull out math problems from bag.
2. Write the answers on the clothes with enclosed marker.
3. Hang the “clothes” with the answers on them, onto your clothesline. Use the clothespins to attach them to the line.
4. Line up your answers from least to greatest. (ex: If your answers were 3, 15, and 28, you would hang them in that order)
5. Have Fun!
